LOKA's high-frequency, chilled and frozen transportation can realize this special service.

Bring For U service proposal

About Bring For U (BFU) ：

Point	Detail
Overview	[For restaurant and retail client] Import and distribute Japanese products designed to meet your company's need.
Advantage for your company	You can get products more stably and cheaper than usual!
Temperature range and Departure point	Frozencontainer(Kobe Port), Chilled container(Fukuoka Port)
Frequency	Frozen(-18℃) almost every 2-3 months /Chilled(10℃~12℃) almost every month

Basic terms and conditions ：

Point	Detail
Payment method	POD (Pay on Delivery)
Delivery deadline / number of times	All products need be delivered **within 3 days** after arriving at our warehouse.
Minimum purchase amount	$800 or more per delivery (Free handling fee for purchases over $1,200)
Administrative fee	$80 per delivery
Other fees	If delivery cannot be completed by the deadline, or if you request multiple deliveries, an additional storage fee will apply based on the duration and quality of storage.

One-stop service from Cambodia

※TOA (Southeast Asia Trading Company), a group company in Japan, coordinates export arrangements on the Japanese side.
※You can manage everything from Cambodia, including payment, just as you do with regular procurement.
※Please note that the schedule above may vary depending on the supplier's delivery conditions and responses.

Quotation image (example)

About 1.5-1.8 times the purchase price in Japan.
(Excludes alcoholic beverages)

Applicable exchange rate: JPY/USD = 140 yen (variable)

{example}
Price in Japan : 1,000 yen/unit
Price in Cambodia: $10.7-12.9/unit (frozen/chilled)

*Alcoholic beverages are confirmed individually.
*The rate varies depending on the total order amount.
*An additional administrative fee of $80/order will be charged. (waived for orders over $1,200)

Inquiries about this matter
To each person in charge
Please inquire individually.

Special Notes

Available Products:
- For items being imported for the first time, please verify the import regulations (e.g., necessity of a license, etc.).
- Please note that product specification documents and details about raw materials may need to be provided if necessary.

Special Cases:
- Alcoholic beverages: A special tax in addition to customs duties applies, which may lead to higher quotations.
- Meat (offal): Importation is prohibited as of September 2024.
- Meat/agricultural products: Additional costs and time may be necessary for plant quarantine procedures.
- Non-food products: Please consult us on a case-by-case basis.
